Discussion:

A motion was made by Alderman Stallmann and seconded by Alderman Bullington to untable Bill 4111. A voice vote was taken with unanimous affirmative result and the motion passed.

There was discussion regarding Bill 4111 and the amendment made to the bill to include the time restrictions, number of spaces which would be available and which side of the street parking would be permitted on. It was also noted by several aldermen that this is a public street. Much of the discussion took place at the dais and included Ms. Murphy, Mr. Biribin as well as Board members. It was noted by Alderman Fleming that there has been a sincere attempt to compromise, but no one seems to be happy. A motion was made by Alderman Roach and seconded by Alderman Stallmann to amend Bill 4111 as to allow parking only between the hours of 6 a.m. and 4 p.m. and from a distance between 25 and 140 feet from the stop sign at Clayheath and Claybend. A voice vote was taken with six aye votes and two nay votes and the motion passed. A motion was made by Alderman Roach and seconded by Alderman Stallmann for a second reading of Bill 4111 as amended. CITYADMINISTRATOR'S REPORT

City Administrator Sterman reported that we have received notice that we have received GFOA's Certificate of Achievement for Excellence in Financial Reporting award; we have received this award for our annual financial report for several years running. We also received their Distinguished Budget Presentation Award for our budget. Receiving both these awards is something most cities do not accomplish, so he wanted to acknowledge all the hard work done by Finance Officer Denise Keller and her staff. Mayor Pogue also thanked Ms. Keller given that the criteria for this is ever changing.

Mr. Sterman shared that we are working on an informational campaign to educate the City's voters on the Prop U (Use Tax). The most recent issue of Ballwin Life contained information on the Use Tax and we would like to do informational mailings to voters in the city. These would not advocate one way or the other, but simply educate. He stated we would like to spend around \$5000 for these mailings. Alderman Stallmann stated this is an excellent idea. Alderman Roach added that he feels the City Attorney should review the mailings before they go out. A motion was made by Alderman Stallman and seconded by Alderman Kerlagon to approve the expenditure for the mailings. A voice vote was taken with unanimous affirmative result and the motion passed.

Lastly, Mr. Sterman stated there was a meeting with the contractors for the new police station and as soon as next week possibly, they will start moving dirt.
